

Press Release

Naked Concierge, LLC forms partnership with Three New Companies
Fort Lauderdale, FL May 5, 2008

The Naked Concierge is pleased to announce 3 new partnerships:

1. Schubert Resort
2. The Grand Resort and Spa
3. M and M Tours

The Schubert Resort comes back to us as a centrally located gay resort in Ft. Lauderdale. They have a beautiful property that is near shopping, dining and close to the most popular gay bars. The private courtyard, where their pool and jacuzzi are located, is very private and clothing optional so you often see guys sunning and enjoy the great Florida weather in the nude.

The Grand Resort and Spa is located within walking distance to Fort Lauderdale Beach. It is a beautiful, relatively new property for Gay Fort Lauderdale. The resort opened about 4 years ago, and has already undergone one major refurbishment in that time to keep the rooms looking new and fresh. Nearly 2 years ago, they added a full service spa that is open to the public. They have a great tropical courtyard area with fountains and a jacuzzi. This area is clothing optional.

The Naked Concierge is fortunate to have developed a relationship with The Grand Resort where the Naked Concierge guests will have an opportunity to get special discounts on their rooms.

Our third recent partnership is with M & M Tours. This is particularly important to The Naked Concierge and should be to all of our visitors. M & M Tours provides a shuttle from the Gay guest houses and resorts to all of the gay bars and clubs in Fort Lauderdale and Wilton Manors. Now, you don't need to deal with expensive cab rides or rental cars. And you don't have to take the chance of a DUI by drinking and driving your own vehicle.

M & M also provides luxury transportation in their Mercedes Motorcoach to and from the airport, Sawgrass Mill Mall and other destinations. They have even put together a special Gay Days weekend excursions.
